Are You Wearing the Whole Armor of God?

Be strong in the Lord and in His mighty power. Put on all of God's armor so that you will be able to stand firm against all strategies of the devil.

Ephesians 6:10,11

There is much to say about Paul's letter to the Ephesians, as it is a transformative and powerful tool for Christians in the church today. Ultimately, this epistle serves as an outline of God's plan for redeeming and reconciling the world to himself; it unlocks both the Old and New Testament Scriptures through a lavish explanation of God's heart for his people. Yet Ephesians 6 takes us even deeper into the heart of Christ Jesus himself, as it shows us how we are to triumph in a fallen world as he did. Paul calls us to take up the whole armor of God, that we may be able to withstand in the evil day.

We are to take both an offensive and defensive stance, advancing the kingdom of God with the sword of the Spirit, yet hiding behind the shield of faith that covers every aspect of our being. The shoes of readiness given by the gospel of peace carry us in our pursuit of achieving unity with Christ and boldness in proclaiming the Gospel. Paul's talk of the helmet of salvation demonstrates the protection we receive for our minds, as we are granted peaceful assurance of our salvation through the presence of the Holy Spirit in our thoughts and convictions. Finally, the armor reaches its climax in verse 18: *"praying at all times in the Spirit, with all prayer and supplication."* This is Paul's practical application—if you desire the full armor of God, ask God for it. Pray in step with the Holy Spirit and pray in accordance with the will of God, the will that is revealed on every page of Scripture. Ultimately, Paul's heart is that believers grow into maturity that can only come through knowing Christ.

Fullness in Christ comes through alignment with the truest desire of Christ: to live in sincere devotion to the will of his Father. My encouragement to you is to seek the will of God that is revealed in creation, in Scripture, and written on our hearts through the Holy Spirit. Take up the full armor of God so that in the coming ages you may be confident in saying that you have done all to stand firm. Sanctification comes through the truth; God's Word is the truth. May we delight in doing God's will from our hearts and walk in love as Christ loved us.

How is the Lord calling you to put on the whole armor of God today?

Living in a Perverse World

On Memorial Day Sunday, we examined in detail the consequences of God giving over a depraved nation, and describing how God has turned America over to judgment. I thought I would record some highlights in this newsletter to underscore some of the highlights of that message. I believe as we live out our time in these last days, we will need the reminders of the “why” as our culture continues to deteriorate. We are left with the hope of our returning Christ.

We are experiencing the judgment of God on our nation. It’s not as if we’re waiting for it, it’s not as if it’s nearby, we’re in the middle of this judgment. Romans chapter 1, verse 18 says:

“For the wrath of God is revealed from heaven against all godlessness and unrighteousness of men who suppress the truth in unrighteousness.”

Any nation, any association of human beings that constitute a culture, that turns away from the truth in unrighteousness, will receive the wrath of God. The other kind of wrath talked about in Romans 1 is the wrath of abandonment. This is historical. In Acts 14, the Bible says God allowed all the nations to go their own way. The history of the world is the history of nations going their own way and consequently experiencing the wrath of divine abandonment. And that is in view in Romans 1:18-20 :

“The wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth and unrighteousness, because that which is known about God is evident within them; for God made it evident to them. For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse.”

God, by His creation, has put Himself on display to the degree that His eternal power and divine nature are manifest, and anyone who rejects Him is without excuse. And men do, and nations do, and cultures do—and that’s the cycle of human history. When God abandons a society, the first thing that happens is a sexual revolution, inevitably followed by a homosexual revolution—and you have it described in verses 26 and 27. And interestingly enough, it starts with the female side of that in lesbianism because when God abandons a nation, the instinct—the strongest human instinct there is—the instinct of women mothering their children, is perverted. This is that severe of a blow, this level of judgment on human culture and human society. And then you have the male homosexuals in verse 27, “committing indecent acts and receiving in their own persons the due penalty of their perversion.” There’s an immediate penalty, and you would remember it as the AIDS epidemic. It’s built in. It’s a venereal disease that is built in because that kind of behavior will have built in its own punishment, as well as being evidence of the abandonment of God.

And why does this happen? Because “they didn’t see fit to acknowledge God any longer,” verse 28. They keep going back, these verses, to the reason: They rejected God. Then in the middle of verse 28: “God gave them over to a depraved mind.” A depraved mind is a mind that doesn’t function. Sometimes it’s translated “reprobate mind.” The Greek word means “nonfunctioning.” That’s when you’re a man, and you think you’re a woman. It’s a kind of insanity, and it’s an insanity that is such an insanity, it begs the issue of reason to even think people would do this. The reason people are doing it is because they are under divine judgment. God has let them have a reprobate mind.

People can no longer think reasonably, which means there’s no way back to sanity. And because it is a divine judgment on them, God doesn’t interrupt the course of their thinking down this path of sexual revolution, homosexual revolution, to the kind of insanity that we see with transgenderism. So how are we to live in this world, knowing that we are secure, and knowing at the same time that we’re living in a culture under judgment? Philippians chapter 2 —

“So that you will prove yourselves to be blameless and innocent, children of God above reproach in the midst of a crooked and perverse [nation], among whom you appear as lights in the world, holding fast the word of life, so that in the day of Christ I will have reason to glory because I did not run in vain nor toil in vain.”

This idea of being crooked and perverse describes that natural human depravity which distorts and twists every sinner. In fact, in Proverbs 21:8 it says, “The way of the guilty man is crooked.” Isaiah 59:8 says, “They . . . made their paths crooked.” “Perverse” is diastrophō; it means “to distort.”

So anywhere you go, any city or any group of people, you have people who are crooked, distorted, bent out of shape. And Paul was really drawing that description of Philippi from the history of Israel. So we have to understand that in general, man is perverse and distorted. We are the children of God. We are lights in the world. How do we live? With an attitude of humility like our Savior. Selfless humility should mark us. James said, *“Humble yourself in the presence of God, and He will exalt you.”* You don’t want to take the fact that you’re a child of God and a light in the world, and you’re so distinct that you belong to Him eternally, as something to be proud of. You humble yourself. Why? Because then you’re prepared to suffer. If you think too highly of yourself, you’re going to assume that somehow suffering is something you don’t deserve. But we are called to suffer as Jesus suffered. He died as our atonement, obviously, but 1 Peter says, “He died as our example, because when He suffered, when He was reviled, He did not revile again, but committed Himself to a faithful Creator.”

So humble yourself, and get ready to suffer. Take suffering the way the Lord took suffering. Think like the apostle Paul, who said, “That I may know Him, the power of His resurrection and the fellowship of His” — what?—“of His sufferings.” Finally, as we live through the persecution of this fallen world, arm yourself with the words of David from Psalm 37:

“Do not fret because of evildoers, do not be envious toward wrongdoers. For they will wither quickly like the grass and fade like the green herb. Trust in the Lord and do good; dwell in the land and cultivate faithfulness. Delight yourself in the Lord, and He’ll give you the desires of your heart. Commit your way to the Lord, trust also in Him, and He will do it. He will bring forth your righteousness as the light and your judgment as the noonday.”

“Rest in the Lord and wait patiently for Him; do not fret because of him who prospers in his way, because of the man who carries out wicked schemes. Cease from anger, forsake wrath; do not fret; it leads only to evildoing. For evildoers will be cut off, but those who wait for the Lord, they will inherit the land. Yet a little while and the wicked man will be no more; and you will look carefully for his place and he will not be there. But the humble will inherit the land and will delight themselves in abundant prosperity.”

KEEPERS OF THE KINGDOM

We are engaged in an epic battle for the hearts and minds of our youth. Every day, they are bombarded with lies about who they are, who their Creator is, and where their salvation comes from. Thankfully, God has given His children armor to wear in this battle between truth and lies, light and darkness, good and evil.

With this VBS, kids will learn how they can be part of God's kingdom through salvation in His Son and will be equipped with the armor of God to become Keepers of the Kingdom who stand strong in today's battle for truth.

The Leadership Insider

Over the past 2 months, the Woodville Church Board has met and would like to share with you the following items:

- A series of sessions has been established for the purpose of informing our church family about a new ministry opportunity with the Jonah Foundation. This ministry promotes re-entry for individuals into society with a Biblical perspective. The first session already occurred on May 21 and a second presentation with Q & A is scheduled for June 4 during the Sunday School hour.
- The Congregational Meeting on June 25 will vote on new members for the Church Board. Coming off the Board are Bill Edwards and Bill Walta. Candidates for the Board are Brad Baar for Elder and Gene Fisher for Deacon.
- The Church Board has approved the 2023-2024 church budget for presentation to our church members for their approval. Many thanks go out to our Deacons for their time and effort in putting this budget together.
- The annual Congregational Business meeting is scheduled for Sunday, June 25. Church members will be asked to approve three separate measures:
 - Approval of candidates for Elder and Deacon
 - Approval of the 2023-2024 church budget
 - Approval to move the excess Mexico Van fund money to help with the startup of the Jonah Foundation ministry.

Respectfully submitted,

Have you had a chance to watch *The Chosen* Series yet? If not, check out our church library. We have all 3 seasons on DVD of this wonderful picture of Jesus' calling of the 12 disciples.

Thank you, Marilyn Patrick, for your service!

Some of you may have noticed that Marilyn Patrick has not been playing the organ on Sundays for the worship service. Marilyn has felt the need to step down because of physical limitations.

We would like to reflect on how Marilyn became such a blessing to Woodville Community Church over the years... Here is her story...

How old were you and what year did you start playing the organ at Woodville Church?

"I started to play for Sunday School in 1945 when I was around 14 years old. Mr. Jordan, who was one of the church planters from First CRC in Fremont, asked me to play. He was a great encourager! A very kind gentleman and patient. I think he probably saw it as an opportunity for me to get involved. My involvement in playing probably took off from there. I was already taking piano lessons in Big Rapids at the time, and as time went on the leaders at church kept encouraging me & giving me the opportunity to play."

How did you come about playing at Woodville Church?

"My organ teacher in Big Rapids was Mrs. Newton, the organist at the United Church on State Street. After some time, I was asked by their Consistory to play as needed for Sunday services at that church on a big pipe organ. In later years, I took more advanced lessons from an organ teacher who taught business statistics at Ferris."

Did you play for the choir, too?

"When Jay & Angeline Poel came to Woodville, she started a choir of young people and asked me to accompany the choir. We had a good sized choir of 20 that sang 4-part music with special interpretation. She was great at drawing out the expression of what the hymn was about with the singing!"

What do you like best about playing the organ?

"I really like the fullness of the organ sound. (P.S....I know that was what Sid Newhouse liked, too, as he expressed how much he enjoyed the organ also.)"

Can you play other instruments too?

"I only played the piano. My dad played several instruments and my mother always encouraged us. We also sang duets at Sunday evening services."

How has the Lord worked through this ministry?

"The music has always given me a means to express my faith and an opportunity to use the music to edify others. I remember Mrs. Haan (who played beautifully) told me her teacher emphasized playing 'with expression.' I guess when you do that you have to read the words as you play, and they make a lasting impression. Helps me remember scripture."

I've been given the opportunity to play for many weddings and funerals as well as church services. Doing so has built relationships.

A little tidbit...Woodville Church purchased the current organ around 50 years ago from Westfield Organs. Sue Walta's father was a representative for Westfield Organs and gave 10 free organ lessons to anyone who wanted to learn to play it. Sue's father, Robert Beukema, played the organ for the dedication service. Small world!

APPRECIATION LUNCHEON FOR MARILYN

Avoid foolish questions, and genealogies, contention, and striving about the law, for they are unprofitable and vain.

We, as a community, shall stay focused and open to God's Word as we do not want to forbid or divide our beloved friendship due to a misunderstanding. Instead, allow God to determine and complete His mission.
